

FileCart™ Specifications:

The Datum FileCart™ is designed to provide transportation and storage of file folders, mail, and other office supplies. Easy access of file folders increases office organization and efficiency.

Basic FileCart™ - All models are manufactured from 18 gauge steel with 14 gauge steel reinforcement and durable powder coat paint finish. All movable dividers are manufactured from 20 gauge steel with durable powder coat paint finish. Casters are 3" diameter hard rubber swivel casters (two free/two locking).

Transport FileCart™ - File Transfer Cart models are manufactured from 20 gauge steel with 14 gauge steel reinforcement and durable powder coat paint finish. Casters are 4" diameter hard rubber casters (two swivel/two non-swivel). X-Ray Cart models are manufactured from 16 gauge steel (base, channel, uprights) with 18 gauge shelves and dividers and durable powder coat paint finish. Casters are 4" diameter hard rubber casters (two locking swivel/two non-locking fixed).

Deluxe Transport Carts are manufactured from 16 gauge steel (skin, base, sides of shelves) reinforced with 14 gauge steel inside uprights and 20 gauge steel doors and shelf backs and durable powder coat paint finish. Casters are 4" diameter hard rubber casters (two locking swivel/two non-locking fixed).
